Dear Miss Berkey:

We would like to dedicate the 1963-64 Los Coyotes to you, in deep appreciation for all you have done for the students, school, and our community in past years. We sincerely hope that this dedication will further enrich your life as you have enriched the lives of so many of our Buena Park students.

We truly believe that our school has profited by the inspiration that you give to students, teachers, and those who will follow in your footsteps as teachers. We know that without fail our students will continue to find in your classes the qualities of professional teaching that have made this dedication possible.

Sincerely yours,

Los Coyotes Staff

Due to the importance of recreation in the lives of all Coyoteville citizens, the 1963-64 Los Coyotes staff has chosen RECREATION as the THEME for your yearbook.

By definition recreation means refreshment of body and mind by any form of play, amusement, or relaxation.

Because of the types of endeavors which involve students, teachers, and administrators, recreation becomes an important factor in their lives.

As you can see from the picture above, recreation takes many forms—dancing, swimming, bowling, watching television, picnics, skiing, movies, plays, dinner dates, pep rallies, sports, visiting Knott's Berry Farm and Disneyland, golfing, playing cards, club activities, reading, etc.

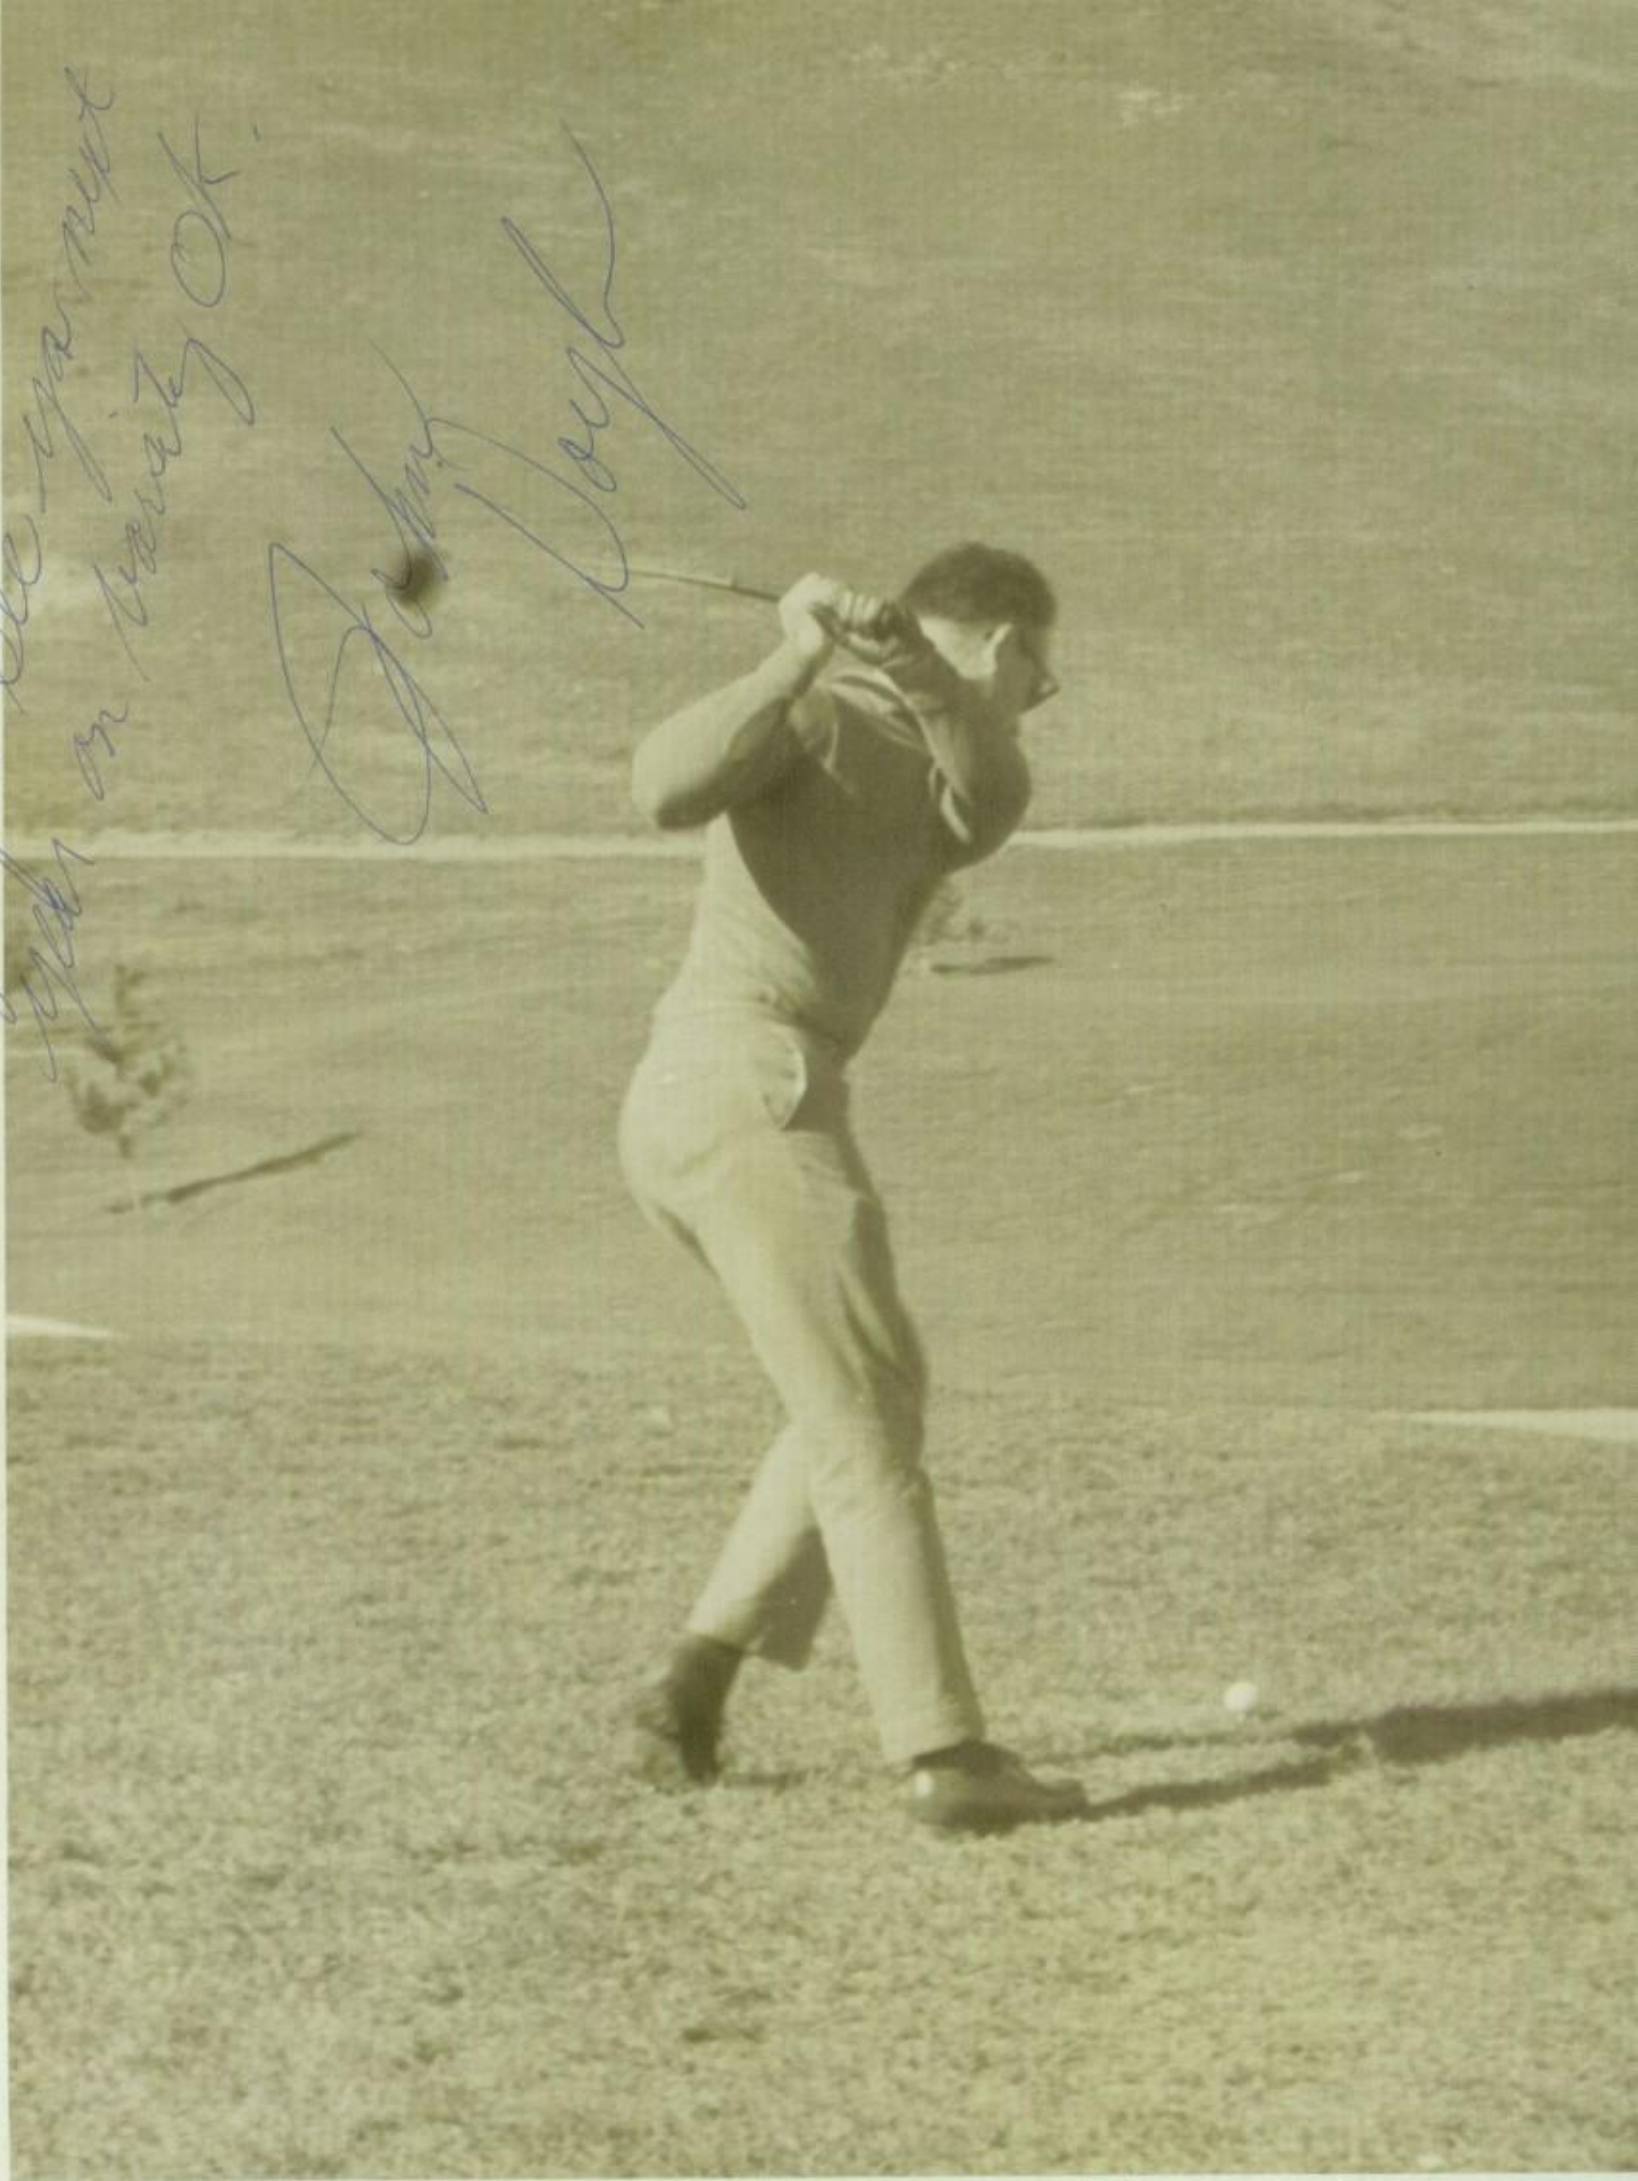

So, Coyoteville citizens, make moments of relaxation true recreation.

Staff Members

In charge of the student bookstore is Mrs. Whitelock.

If it were not for the people pictured here, Coyoteville would not be the great place that it is.

What a dreary "home" this would be if the secretaries were not smiling, friendly, and always helping students, faculty, and administrators.

If the cafeteria and snack shop staffs did not generously replace the expended energy of the active Coyotes, what a dull group we would be.

No matter how busy they are, the custodians are always doing something extra. Remember when you forgot to get the ladder for decorating the gym or ordering the extra chairs for the banquet?

The friendly, efficient manner of handling many diverse responsibilities by Mrs. Whitelock makes the position of student bookstore manager seem simple.

Last, but by no means least, the students admire the fortitude, understanding, and nerves of steel which characterize the young men who carry the heavy responsibility of transporting Coyotes to and from home and on special field trips.

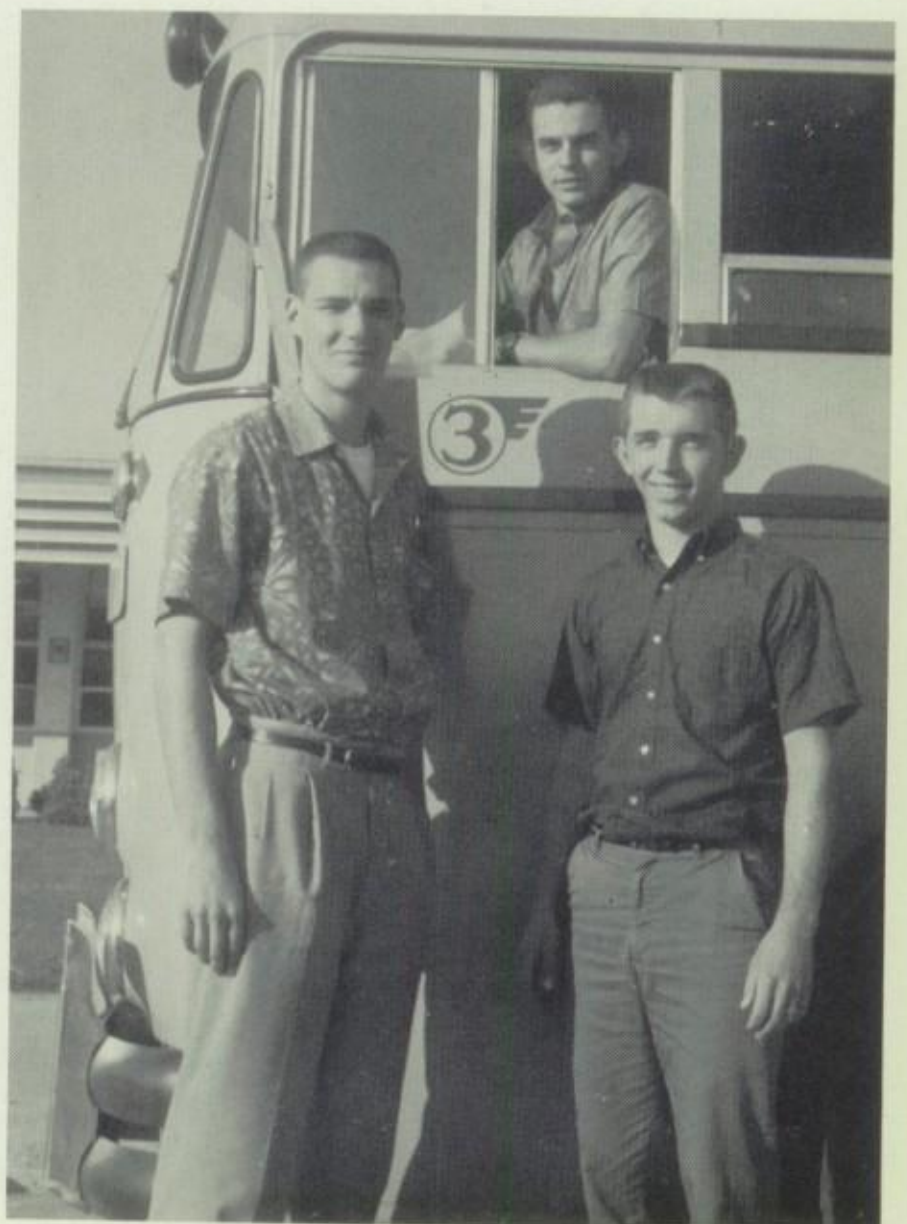

Buena Park High School secretaries are Mrs. Gourley, Mrs. Bulkley, Mrs. Feemster, Mrs. Western, Mrs. Narog, Mrs. De Mato, and Mrs. Byrne.

Row 1: Angel Soto, Fred Soto, Howard Chipman, John Wilson.
Row 2: Carl Sleeper, August Okon, Jim Homewood, Paul Russel, Joseph Bielawicz.

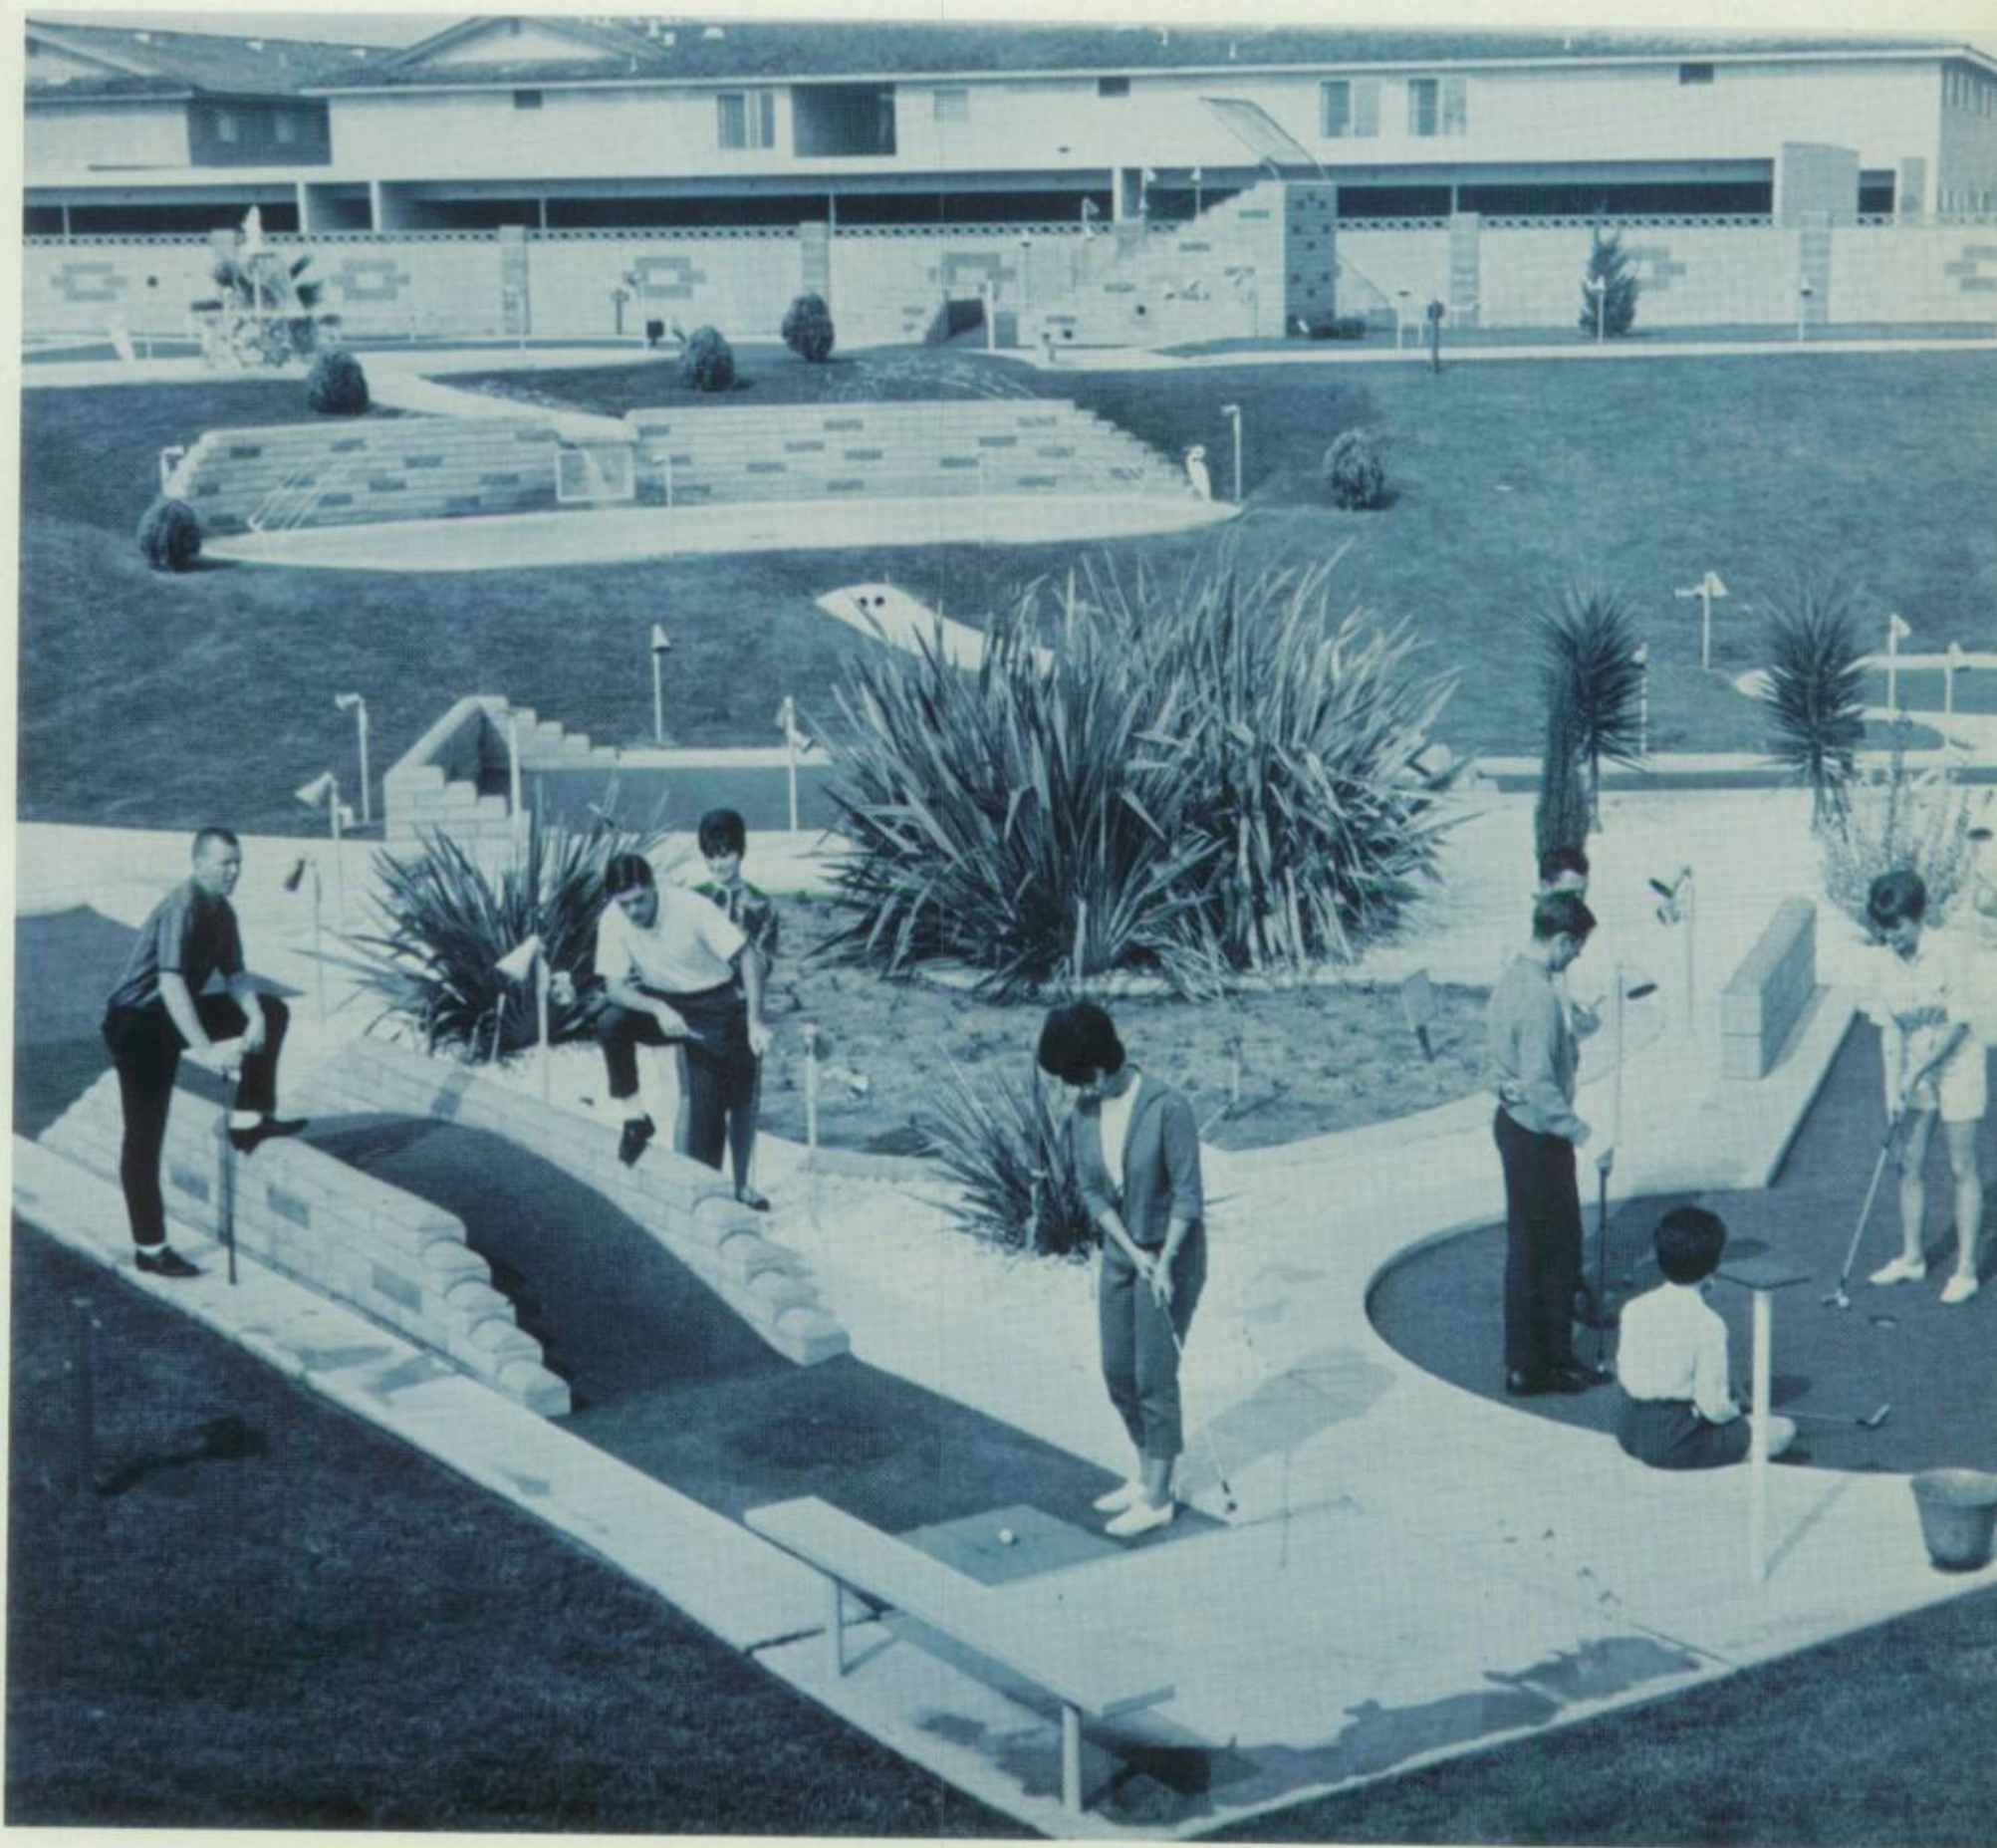

Mrs. Ibbes, Mrs. Dorothy, Mrs. Shaw, Mrs. Brawley, Eva Turman, Mrs. Broyles, Mrs. Peterson.

Marvin Graham, Grain Muchow, (in window)
John Lucas.

CLASSES

FRESHMAN

An unusually active Freshman class was noted this year.

Many projects were carried to completion by this energetic group. During the year cup cake sales at the "break," selling concessions at basketball games, and a car wash were sponsored.

Next year, as Sophomores, our group will increase this spirit of co-operative activities.

SOPHOMORE

Goal for the Sophomore class was to make money and at the same time have a lot of fun.

Selling concessions at the basketball games was one way in which we made money.

The Sophomores had a playnight and barbecue.

Because the Sophomores came in last in the Student Body Card contest, we sponsored the Freshman Playnight.

All the class members were invited to attend all the Sophomore class meetings which were held on Wednesdays. Any suggestions or helpful hints were welcomed.

JUNIOR

The main goal for the Junior class this year was to sponsor the Junior-Senior Prom.

During the football season, the Juniors sold pom-poms and ran a concession stand. At Christmas, we sold Christmas wrapping paper and bows. This project was very successful and many Juniors participated. The PTA sponsored a potluck dinner for the Junior class, and we received the proceeds from it. All these things helped us toward our goal.

SENIOR

The one word which best describes the class of 1964 is "unforgettable."

Looking back on our past four years at Buena Park High, I'm sure each one of us recalls something that will remain with us forever. Whether it be something done for the class, something done with the class, or something made possible by the efforts of the class, years from now, we can look back and say, "I'll always remember my high school years at Buena Park because..."

Senior Cabinet

Senior Cabinet continued one tradition and perhaps established a new one as they again sponsored the annual serf days and introduced, for the first time, a school pillow sale. These activities, as well as a playnight, served to raise funds for the senior gift and the senior class scholarship, granted by the class through application on the basis of need and scholastic achievement.

It is also the duty of the Cabinet to select several styles of graduation announcements for voting by the senior class as a whole and to make any decisions regarding graduation.

Responsibility for the origination of fund-raising activities was committed to the Ways-and-Means Committee, headed by Maureen Shanta, while Publicity Co-Chairmen, Betty Jo Soffel and Linda Revell, were appointed for the purpose of publicizing all Cabinet functions. These efforts, combined with the excellent leadership of President Jim King, advisors, Mr. Holm, Mr. Boise, and Mrs. Patterson, and the co-operation of the senior class itself, resulted in a successful and satisfying final year for the class of '64.

At B.P.H.S., Our Seniors

... expertly trained to cope with anything they run in to.

... looking forward

... full of school spirit and enthusiasm.

... thoughtfully considerate
of fellow seniors.

Are.....

... graduation with eager dignity.

... intellectually and culturally refined.

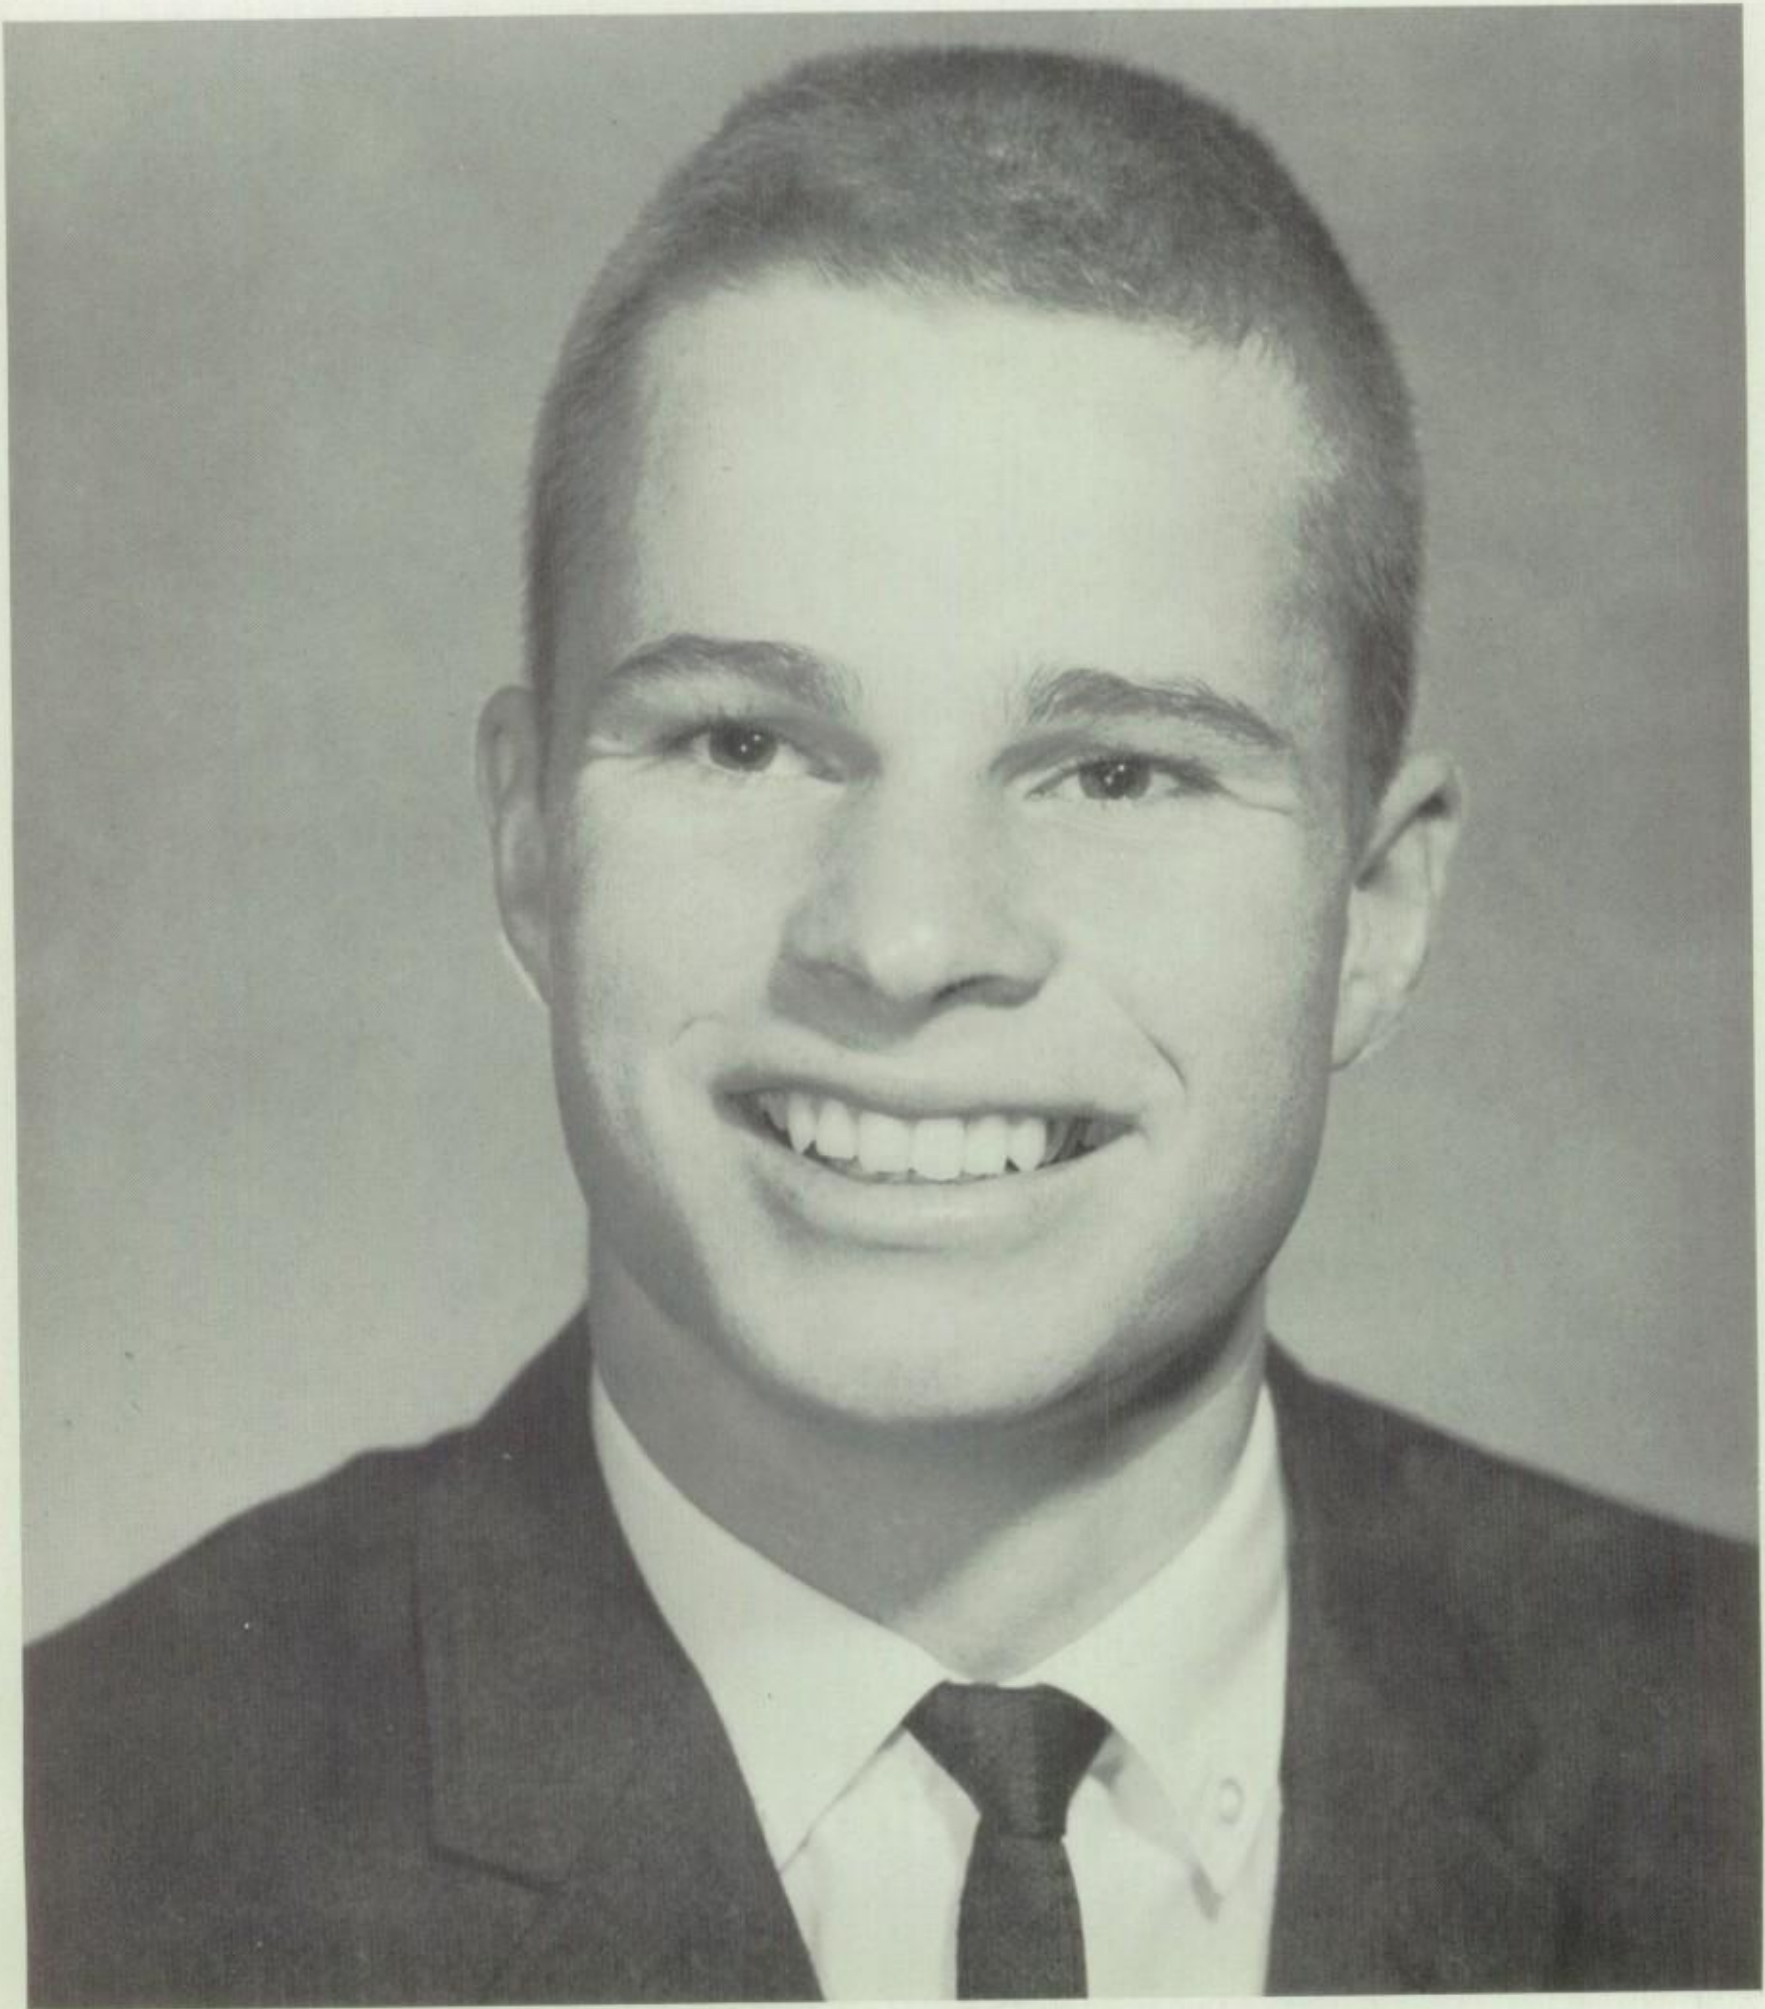

... eager to participate in school sports.

... constantly alert to opportunities to better their academic achievements.

Student

Craig Brown

Student Body President

Student Body President Craig Brown has carried on the tradition of top leadership at BPHS. He has maintained high standards not only scholastically but athletically as well. This is evidenced by his being a four-year honor student as well as a star swimmer, and for the past two years, Captain of the swim and waterpolo teams. His quick smile and out-going personality have won for him the offices of treasurer of his sophomore class, president of his junior class, and, as a senior, Student Body President. Craig has truly upheld the good name of Buena Park High School and will always be remembered by the Student Body of 1964.

Student Government of the Student Body is based on the participation of the students and the official branches such as the Executive Cabinet, Student Congress and the ASB officers. This year's government and branches have done an excellent job of running the school efficiently and smoothly.

The executive branch governs the Student Body in the promotion of athletic activities, all finances, all Student Body committees, and all other appointive positions and the making of all regulations necessary to carry out the provisions of the Student Body Constitution.

Student Court is the Judicial branch. Its main objective is to help students understand and appreciate the need for following rules and using courteous conduct.

Student Congress is the Legislative branch. It gives a real opportunity for every student in school to voice his opinions and suggestions through an elected representative.

Several times they showed great effort by fighting several of the top teams to the final buzzer—losing by only a couple of points.

Next year's team will have four returning players, and with help from the "Bee" and "Cee" teams, they should have a promising season.

In Appreciation

This is John as we see him today.

We have set aside this page in our 1963-1964 Los Coyotes to thank John Sibley for the services that he has rendered to Buena Park High School. Students active in extra-curricular activities received the benefit of John's help.

Setting up bleachers, unlocking the gym doors to enable the yell leaders to practice after school, and attending the boys' locker room is just a part of the daily routine for John. But it is that little something extra that has made John more than just a staff member.

John was born in Baltimore, Ohio. During the war John served from 1943-1945 on the Pensacola and then in 1946 served in the Shore Patrol in LA as a District Welfare Officer. During his thirty years of service he attained the rank of Lieutenant JG.

John moved to Fullerton in 1953 and worked at Fullerton Union High School from April 1960 to June 1961 when he came to BPHS.

WE THE STUDENTS THANK YOU — JOHN SIBLEY.

His enthusiasm won John many friends.

CLASS OF 1964

WE THANK YOU !

ALBERT & JAMES. PHOTOGRAPHERS

1450 NORTH HARBOR BLVD.
FULLERTON, CALIFORNIA

As our 1963-1964 school year draws to an end we look ahead to our future and back upon the treasured memories that made this year complete. For me, being Editor in Chief of the Los Coyotes, was the high point of my high school career. It afforded me the opportunity to work with and for the staff to develop a yearbook that encompasses activities in which we teenagers participate.

Swimming, bowling, watching TV, dating, dancing, picnicking, skiing, going to the movies, pep rallies, etc., are all important parts of our teen-age years. I hope that we have captured a few of these moments in pictures and words to help you relive this wonderful year.

With the wholehearted cooperation of this year's annual staff, our ideas and plans became a finished product. Each member carried out his share of responsibility to help make this a fulfilling year. Key words in this year's production of the yearbook were consideration, conscientiousness, consistency, and most of all cooperation.

We owe a great thanks to Mr. Richard Thompson, our advisor, for his help, guidance and patience throughout the year, he assumed the pressure of nearing deadlines with calmness and encouragement. The successful completion could not have been accomplished without his inspiration and fortitude.

I hope that you enjoy this year's Los Coyotes as much as the staff enjoyed putting it together for you.

Sincerely,
Barbara Libert
Editor in Chief
